

# Year 2 Curriculum Newsletter Autumn Term 1 2019

Our theme this half term is.....

## Under the Sea!

As Scientists we will be learning how to stay healthy by exercising, eating healthily and keeping clean.

As Athletes we will be developing our multi-skills through balancing to throwing balls through targets.

In our Computing lessons we will be learning about online safety and how to code.

As Mathematicians we will be learning the place value of number, ordering numbers, recognising number bonds to 10 and 20 as well as looking at the four mathematical operations. We will also be looking at 'greater than' and 'less than'.

As Geographers we will be recognising physical and human features of England and a contrasting area.

As Musicians we will be learning about different sounds and dynamics (loudness).

In our PSHE lessons we will be learning about ourselves and understanding our place in the class and school.

As Artists we will using different mediums to create underwater pictures

In English we will be learning to write repetitive poetry, reading the book Mrs Armitage and the Big Wave by Quentin Blake and then writing our own stories which include expanded noun phrases.

We will be writing sentences that contain conjunctions and learning to use a range of punctuation:

! ? , .
